Slide3

Today, we're going to talk about...

Unit 4 Lesson 1 Day
1

Slide4

the reformation

While Christendom experienced cultural renewal and religious friction, the Islamic world gave birth to three empires. The Ottoman Empire centered in Asia Minor, the Safavid Empire in Persia, and the Mughal Empire in India. They extended Islam's power and influence. From 1300 to 1600, these Asian empires were rival centers of power and culture. Their achievements had a lasting effect on the world.

Ottoman
Safavid
Mughal
